## Holy Father's Prayer Intention — January 2019

**Evangelization:** That young people, especially in Latin America, follow the example of Mary and respond to the call of the Lord to communicate the joy of the Gospel to the world.

+++++

### Vocation Corner

What a wonderful Gospel account of the Magi traveling to meet the Lord. They followed the star — their “call” — to come and offer their gifts to the Lord. But the question arises as to how the Magi noticed a star at night and no one else really did. Perhaps we need to embrace the “night”, the stillness, to “see and hear” our call. How are we doing in discerning our call to Holiness — in living our vocation as man, woman, or child; married or single; priesthood or religious — of being called to something beyond ourselves?

### Respect Life Corner — Building Communities of Welcome

This week is National Migration Week (January 6 – 12). During this National Migration Week, let us all take the opportunity to engage migrants as community members, neighbors, and friends. We can find opportunities to engage migrant communities in our local community through our local Catholic Charities and other community organizations. Opportunities to encounter and accompany can include: becoming a foster parent to migrant children who have been separated from family members, participating in Parishes Organized to Welcome Refugees (POWR) program; launching a new initiative that will support migrants and their effort to become Americans; engaging in advocacy with local, state, and federal leaders to ensure that resources are in place to support refugees and immigrants during their transition and beyond.
